Note. The history of service recorded on the 2nd page of the pension application shows that the applicant was in the British Service from 31st December 1866 to 14th May 1875 and in the service of the State from 1st June 1875 to 31st May 1901. The Comptroller excludes the British Service and reports that for the qualifying service of 23-9-9 rendered in Mysore, the applicant is entitled to a pension of Rs 23/- per mensem. But the applicant Guru Rao says in his memorial that "his Madras Service was recognised

This entry is not made either in the authenticated copy attached to the late Chief Commr's Proc. No. 3798-3810 dd. 14/3/79. or in the 811 copy furnished by Guru Rao to the Dy Commr Shimoga (I alone). * Flag F.

The Excise Commr turns this out and says that there is nothing in the late Chief Commr's Proc. and its enclosure roll b cited by Guru Rao in his favour, to show that his Madras Service was recognised. in Mysore nor does the Secretary's letter No 32 of 18th June 1875 to the Civil Pension Master Mysore make any mention about it. It is therefore not understood how and on what authority the applicant Guru Rao has ~~made~~ ~~the~~ entered the following remarks in the copy of Roll C said to have been annexed to the late Chief Commissioner's Pro: No 3810/D.F. 811 — dated 14th March 1879 & submitted by him, with his petition to the Excise Commr. of 11th May 1903. These remarks, which ~~do not~~

as already stated, do not appear in the Chief Commrs' letter above referred to, are misleading and unless Gurru Rao substantiates his statement, ~~to~~ it is doubtful whether he is at all entitled to any pension from Government for his Impore service subsequent to 1875. The Excise Commissioner may, if approved, be requested to hold a thorough examination into the case and report the result for the orders of Govt.

Sub.d yes. He is drawing an anticipatory pension of Rs 20/- per mensem

5. The Excise commr was written to accordingly. He now

now submits the statement given by Guru Rao in which Guru Rao states that the entry existed in a copy of roll "C" which was in his possession for a long time, that he himself made it long ago for his own information when he was employed in the Hassan Dt, believing that ~~to~~ such was the purport of the late Chief Camp's letter No 32 of 18/6/75 to the Civil Revision Paymaster but that he did not make it with fraudulent intention Sd/- G. Rao.

MB 15/10/03

There can be no doubt that Guru Rao who has made his remarks appear as an extract from the orders of Government, did so apparently under the impression that the original orders could not be traced in this office & that the extract produced by him would be taken as a guide for the ~~letter~~ counting of his Madras Service. In this he was disappointed. He now says that the ~~fact~~ entry existed in a copy of Roll C which was in his possession for a long time & which he made when he was employed

in the Hassan District believing that such was the purport of the late Chief Commr's letter No 32 of 18th June 1875 to the Civil Pension Pay Master. How could there be such a belief when there was no mention of the subject matter in the papers is a point which requires consideration.

7. I do not clearly understand the difficulty raised about granting him pension for his service since 1875. Hrs
20/8/3

This will be explained when the Comptroller's reply is received. DMR

8. The difficulty was raised with ref^ce to the provisions of art. 317 of the M. S. Regulations.

9. As regards the petition of Guru Rao referred to in para 2, page 5 of the note under date 22nd May 03, the

the Comptroller was requested ~~to~~ ~~report~~ in this office No 214 417 of 2nd Sept 03, to report. He has now submitted his report, in which he states that ~~they~~ the Dy Comr of the Hassan Dt reports that ~~the~~ Guru Rao was paid in the Hassan Sub Dt for January, Feby and March ~~1882~~ 1883, allowances as supernumerary and not as an officer on leave on medical certificate and that if this be taken as evidence of Guru Rao having been on duty and not on leave, the period would count for pension and would also increase his pension by one Rupee.

Guru Rao has again addressed another petition to Govt praying that either

(1). the rule of granting half of British Service to be added to Mysore Service, be extended to him

2) the period of one year ~~and~~ odd falling short to make up 25 years to entitle him to a half

half pay pension, may be made good under art: 261 (a) of the M.S.R.

11 The first is a concession prayed for under art: 417 of the M. S. Regulations. It seems that the provisions of this art: cannot be made applicable to the case, as Gurn Rao is neither a lent officer nor a transferred one. Art 261A of the Regulations was brought into force since 10th August 1903. Gurn Rao was retired from service from 1st June 1901. Under art 5 (a) of the Regulns, the benefit of this art. cannot be given to him.

The applicant first claimed to count the whole of his British Service on the ground of its having been recognised by the late Chief Commissioner of Mysore in his letter No 32 of 18. 6. 1875 to the late Civil Pension Paymaster of Mysore as also in RHC claimed to the Chief Commrs proc. No 3798-3810/D7811 of 14. 3. 1879. It has now been ascertained that there is nothing on record to show that the claim was admitted by the late Chief Commr. The remark made on the copy of RHC

PTO

Subd by the Applicant to say that his Madras Service is recognised in Mysore in Consideration of the Service rendered by his Uncle P Hanumantha Rao who resigned his appointment in favour of the former (Gurumurthy Rao) forfeiting all his Claims for pension or gratuity. Vide the late Chief Comr's letter No 32 of 18.6.75 to the Civil Pension Pay master in Mysore D, is not found in the authenticated Copy obtained through the Excise Comr and is now admitted to have been made by the Applicant himself. If Gurumurthy Rao's Uncle resigned his appointment in favour of his nephew and forfeited his claim to pension or gratuity, it is inconceivable how such resignation could have been a Consideration to permit the nephew to count his British Service for pension from Mysore. The one had nothing to do with the other. The only entry in Roll E that is favourable to the Contention of the applicant is that the date of his entertainment in Service is shown as 21st August 1868. But from enquiries made by the Compt.r it is now ascertained that the Applicant's Service under the British Govt terminated on 1.12.1873, under Circumstances which are not now traceable, and that he actually resigned his British Service on 10.5.1875. It may be urged by the applicant that this resignation should not be held to be a resignation of the public Service, as Mysore was then under the British Administration & that both the Govts should be regarded as one. But as there is a break of about 20 days betn this resignation this entry into Mysore Service, he is not entitled to the benefit of art 270(b) of the Mysore Service Regulations.

× Flag H

Flag D

Flag N

His next Contention is that he may be allowed to count, if not the whole, half at least of his British Service. This claim is apparently under art 417 M.S.R

to the Concession allowed by which, he is not entitled, as his is not a Case of transfer. Besides his Service under the British Govt is not eligible for pension as he lost all claim to it by his resignation.

His third Contention is that a period of 6 months from 1.1.83 should be treated as Service & not as leave on medical Certificate. It has been ascertained that he was granted, on his application leave on medical Certificate for 6 months. Whether he actually availed himself of the leave or not is a question of fact, about which accurate information ought to be forthcoming but the Dy Comr has not been able to ascertain anything definite beyond the fact that Gurnthan was given allowances as Supernumerary in the Hassan Sub Division, for January, February & March 83 and not as an officer on leave on medical Certificate. If this period is reckoned as qualifying service, it will give him a rupee more.

Flag L

His last request is that he may be given the benefit of art 261 A M&SR. but he cannot get it as he was retired long before this rule was introduced.

In the August Presence of His Highness the Maharaja Sri Krishna Rajendra Wadayar Bahudar of Mysore.

The humble memorial of R. Guru Rao residing in No. 435 Devaraja Mohalla Mysore.

MOST HUMBLY AND RESPECTFULLY SHEWETH.

I That Your Highness's humble memorialist was a supervisor (now called Inspector) in the Excise Department in the State till 1st. June 1901, on which date he was retired ; but, tho the Circumstances of his retirement are unknown to him, he believes that the 55 years age rule was unfortunately enforeced in his Case alone ; for, there are others in the Department, and in other than the Department, who are older than himself and your Highness's humble memorialist is as healthy and strong as any of them.

II. That he is entitled to full (i. e. half pension) as he has put in 30 years and odd pensionable Service, of which, the Mysore service 24 years, 5 months and odd and the Madras, 6 years, 2 months and odd ; and that this Madras Service was recognised, by the late chief Commissioner in his letter No. 32 dated 18th June 1875 to the late civil Pension Paymaster of Mysore and also vide Roll. c. annexed to the late chief Commissioner's Proceeding Daftar Genl. No. $\frac{3798\text{-}3810}{\text{D. F. } 811}$ dated 14th. March 1879 to the Deputy Commissioner of Hassan District, on the ground that, his uncle Palghaut Hanumanth Rao, who resigned his appointment in favour of your Highness's memorialist, has forfeited all his claims for pension or gratuity for the Mysore Service he had put in.

III. That Your Highness's humble memorialist, tho made to retire 16 months ago, has not been favored with any pension order and is consequently put to an amount of inconvenience and difficulty which can be more easily imagined than described, for he has no other sourse of income than what comes from Government. Besides, if such a margin is allowed, it is doubtfull whether a century, at least at this precarious state of Mysore wherein uncertainty of life is made so very palpable would suffice to have his pesion sanctioned.—

IV. That Your Highness's humble memorialist therefore most respectfully begs to pray that, either he may be retained in the Service till he completes the age of 60, as he still considers himself physically fit for further Service and is prepared to undergo any medical examination he may be ordered or that early orders may be issued to grant him the full pension.

That your Highness's memorialist
Most respectfully and humbly begs to remain
Your Highness's most obedient,
Hnmble & loyal Servant.

Respected Sir,

With reference to my memorial dated 7th November 1902 and the subsequent references, regarding the grant of half pension to me, I most respectfully beg to state that in September 1900, when I was given notice that I would be retired after three months or so, I represented that, if my whole as service was not taken into consideration (vide Roll C annexed to the late Chief Commissioner's Proceedings No. 3798–3810 / 811 W. F. dated 14th March 1879) or like concession was not shown to me, I shall not be entitled to half pension and that I might therefore be retained in service till I put in pensionable service in Mysore Government, and this was supported by the Deputy Commissioner Shimoga (vide his No. 1794/165 dated 12th February 1900 to the Excise Commissioner in Mysore).

Had I been retained in service a year or so, or had some concession been shown to me also, as was done in many like cases, I would have completed my full period of Mysore service

SIR,

In returning herewith the reported application for pension on behalf of R.Guru Row late Preventive Excise Supervisor of the Thirthalli Taluk together with his petition received with your docket No.417 of the 2nd September last, I have the honor to state that on a reference being made to the Deputy Commissioner, Hassan District in regard to the period of six months not reckoned as service on account of leave on Medical Certificate which period Guru Row contends should be treated as service qualifying for pension on the ground of his having been treated as a Supernumerary during that period, it is ascertained that Guru Row applied for, and was granted six months leave on Medical Certificate from 4th December 82, and that on the abolition of the Hassan District Guru Row among others was brought on the list of Supernumeraries and received half pay till an appointment was found for him. A copy of the Deputy Commissioner's docket No.2211 dated 13th April '04 is enclosed for reference. In regard to the period in question, the leave on Medical Certificate was granted; it has not however been ascertained whether the leave was ~~awaited~~ availed of wholly or in part; nor is it known how the period was treated by the authoritie

SUBJECT MATTER

Returning the referred pension application of R. Gurumurthy late Pre-vaccine Executive Supervisor of the Chittaldrug Taluq together with a copy of Mysore Rules No. 2211 dt. 13/4/04 bearing on the subject & stating that the Acctt General Mysore & Examiner P.W. Accounts Mysore have refused to accept liability as the applicant resigned his service on 10th May 1875.

as soon after the District itself was abolished and the applicant brought on the list of Supernumeraries. The Deputy Commissioner in para 2 of his reply also states that Guru Row was paid in the Hassan Sub Division for January, February & March 83 allowances as Supernumerary and not as an officer on leave on Medical Certificate. If this is taken as evidence of Guru Row having been on duty and not on leave, the period would ~~connot~~ count for pension and would increase his pension by one rupee.

2. In view to ascertain whether a proportionate share of pension can be claimed from the British Government for the service of 8 years shewn in the application to have been rendered under the Madras Government., I addressed the Accountant General and Examiner, Public Works Accounts, Madras, but they have refused to accept the liability, as the reason for the termination of the applicants service on 1st December 1873 under the British Government is not traceable, and as he resigned the service on 10th May 75.

The Secretary to the Government
of His Highness the Maharajah
of Mysore.

Respected Sir,

With reference to Government Proceedings No: 11297-11344 / C+A 963 dated Bangalore 3rd February '03 and in continuation of my memorials dated 15th October and 7th November 1902 to His Highness the Maharajah of Mysore I beg to state that the authorities from whom my pension papers were due have got up my pension roll incompletely having been pressed by the above quoted Government Proceedings and have submitted it to the Government in such an incomplete state. I regret to state that this incomplete get up would affect materially my full pension. The authorities have treated the period, under which I was as a supernumerary

from 1st January 1883 for about six months when the Hassan District was abolished, on leave on medical certificate while I am entitled to full service. Therefore I request that you will kindly ask the Comptroller to get it verified in my income when I would be able to give him all the information which are now wanting with proper authorities.

I beg to remain
Respected Sir
Your most obedient & humble servant
R Gurumurthy Rao
